Dual Task Cost Report

Name	Leslie
Age	66
Gender	Female
Date	3/24/2021 2:18 PM

Sit to Stand - 30 sec (Level 3)

Physical Only Task (PO): Sit to Stand - 30 sec - PO

Notes:

Repetitions	**12**

Cognitive Only Task (CO): Sit to Stand - 30 sec - CO (Level 3)

Notes:

Score	**55**
Accuracy	**100%**
Reaction Time	**3.11 seconds**
Repetitions	**11**

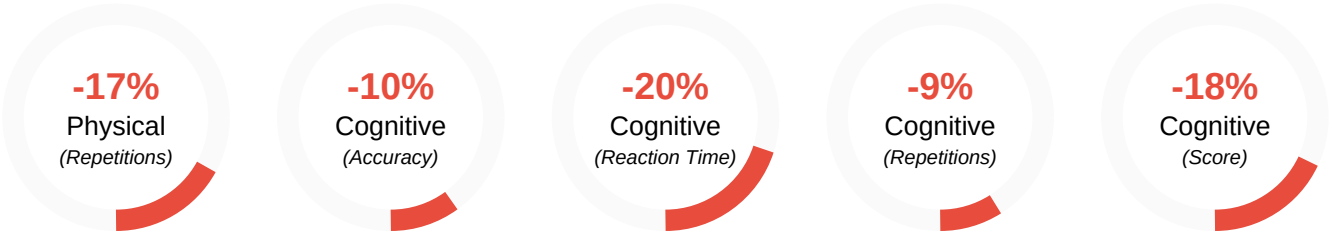

Dual Task (DT): Sit to Stand - 30 sec - DT (Level 3)

Notes:

Score	**45**
Accuracy	**90%**
Reaction Time	**3.72 seconds**
Repetitions	**10**

Dual Task Cost Results

((dual task performance - single task performance) / single task performance) × 100 = dual task cost

Concluding Notes:

Growth Analysis *(against average of selected tests from 3/24/21 - 3/24/21, excluding this test)*

Physical Only Task Analysis

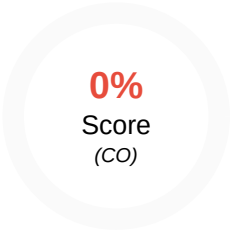

Cognitive Only Task Analysis

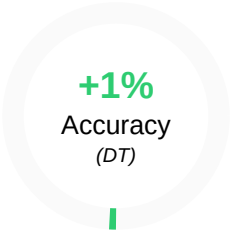

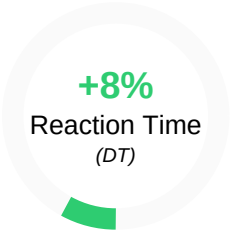

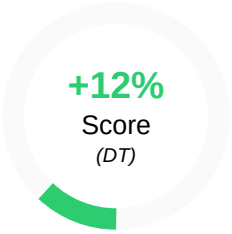

Dual Task Analysis

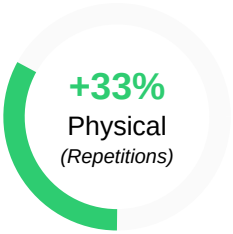

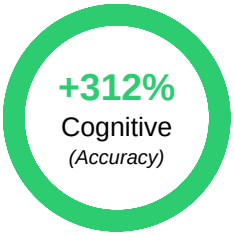

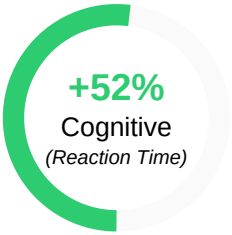

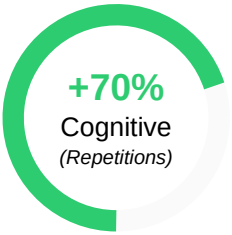

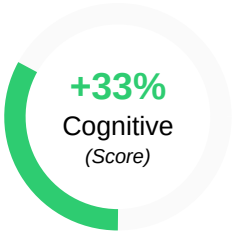

Dual Task Cost Analysis

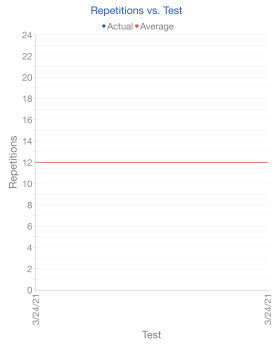

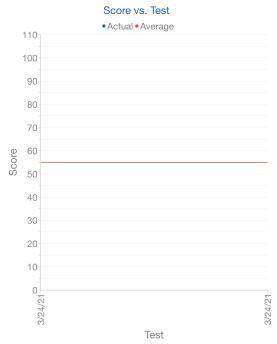

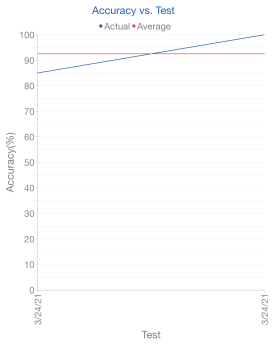

Session Analysis *(selected tests from 3/24/21 - 3/24/21, including this test)*

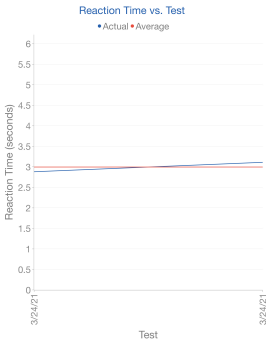

Physical Only Task Analysis

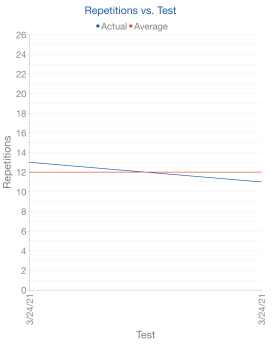

Cognitive Only Task Analysis

RECOMMENDED PREDESIGNED PROGRAMS

Sit to Stand - 30 Seconds (Level 3)

These are the recommended predesigned programs for this dual task cost test. They can be found on the Play tab in the folder locations shown below. These programs should be utilized for roughly 6 – 12 weeks before retesting against your previous test results. We suggest two separate folders to focus on a physical domain and a cognitive domain throughout your training.

1

Predesigned Programs

- Brain Health Fitness for Older Adults
  - Independent
    - Physical
      - Strength

2

Predesigned Programs

- Brain Health Fitness for Older Adults
  - Independent
    - Cognitive
      - Attention
